National International Daily Current Affairs | 19th September 2026

1. Swachhata Hi Seva (SHS)

Why in News	The Swachhata Hi Seva 2026 campaign is being observed from September 17 to October 2, 2026.
About the SHS	- SHS has been observed annually since 2017. - The campaign precedes Swachh Bharat Diwas, which is organised every year on 2 October. - It mobilises citizens towards voluntary action and collective ownership of Swachhata. - The campaign emerged from the broader Jan Bhagidari approach of the SBM. - It provides a dedicated period for citizens, institutions and governments to undertake collective cleanliness actions. - SHS 2026 was launched on 17 September 2026. - Its theme is "Swachhata Mein Sahbhag; Swachh Bharat, Viksit Bharat." The campaign follows a 'Whole of Government' and 'Whole of Society' approach.
About the Swachh Bharat Mission (SBM) and its implementation	- The mission launched on 2 October 2014, is one of the largest sanitation movements led by the Central Government. The logo of SBM represents the spectacles of Mahatma Gandhi, who envisioned Swachhata as the principle that "Cleanliness is next to godliness." - Ministry: Ministry of Jal Shakti - The Mission has two components: Swachh Bharat Mission-Grameen (SBM-G) and Swachh Bharat Mission-Urban (SBM-U). - Rural India was declared Open Defecation Free (ODF) in 2019. Further, as of 17 September 2026, India has attained over 5.69 lakh ODF Plus villages and more than 5.25 lakh have achieved ODF Plus Model status.

2. OneTag

Why in News	The National Highways Authority of India (NHAI) introduced 'OneTag'.
About the One Tag	- It is a FASTag portability service, operational on the Rajmargyatra app. - The new service allows highway users to change their issuer bank without replacing the FASTag sticker on their vehicle. - Highway users who want to change the bank linked to their FASTag have to first log in to the Rajmargyatra app and check their eligibility by entering their registration number. The user will then receive a six-digit mobile verification code from the current issuer bank. - After this, the user must select a new issuer, complete customer verification and wallet onboarding with the new issuer to complete the portability process. - According to NHAI, a user can port to a new bank only after six months. - Upon successful portability, the FASTag ID linked to the vehicle registration number will remain unchanged.
About FASTags	- FASTags became mandatory on National Highways from 2019 onwards. - The device employs Radio Frequency Identification (RFID) technology for payments directly from the prepaid or savings account linked to it.

3. Global Financial Centres Index 2026

Why in News	GIFT City jumps nine places from 46th in the previous Global Financial Centres Index to 37th		
About the Report	- It is the 40th edition of the index. - Published by: London-based think tank Z/Yen and the Shenzhen-based China Development Institute published the report. - The GFCI has served as an international benchmark, enabling the world to understand the competitiveness and capabilities of leading financial centers and recognize shifts within the financial industry. - Gujarat International Finance Tec-City (GIFT City) ranked 37th in the index. ✓ Mumbai ranked 49th and Delhi ranked 56th. Andhra Pradesh Daily Current Affairs | 19th September 2026

1. Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM-JANMAN)

Why in News	The Andhra Pradesh Government has accorded an administrative sanction of ₹2 crores as additional funds to the Panchayat Raj Engineering Department for expenditure under PM-JANMAN during 2026–27.
About Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM-JANMAN)	- PM-JANMAN stands for Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan. - PM-JANMAN (Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan) was launched in November 2023 by the Ministry of Tribal Affairs, Government of India. - PM-JANMAN is implemented through a multi-Ministry approach, involving 11 interventions through 9 Ministries/Departments of the Union Government. - The scheme focuses specifically on the development of Particularly Vulnerable Tribal Groups (PVTGs). - It aims to improve access to housing, drinking water, sanitation, education, health, nutrition, electricity, roads, telecommunications and livelihood opportunities for PVTG communities. - The scheme covers 75 PVTG communities across 18 States and one Union Territory. - It is based on the approach of reaching PVTG habitations and households with essential services, particularly those that have remained outside mainstream development programmes.
Implementation of PM-JANMAN in Andhra Pradesh	- In Andhra Pradesh, PM-JANMAN road-connectivity works are being implemented through the Pradhan Mantri Gram Sadak Yojana (PMGSY) by the Panchayat Raj Engineering Department (PRED), Government of Andhra Pradesh. ✓ The State's Engineer-in-Chief, Panchayat Raj is responsible for further implementation. - As of 30 June 2026, Andhra Pradesh had 965.5 km of PM-JANMAN roads sanctioned, of which 159 km had been completed

2. Project SANJEEVANI

Why in News	The Andhra Pradesh Government plans to link the Sanjeevani Health Scheme with the Intintiki Yoga programme to promote preventive healthcare and healthy lifestyles. The proposed initiative seeks to encourage people to practise Yoga, Dhyana (meditation) and Pranayama at the household level.
About Project SANJEEVANI	- Project SANJEEVANI was launched as a pilot in Kuppam in July 2025 and was expanded across Chittoor district on 1 January 2026. - The project is being launched and implemented by the Health, Medical and Family Welfare Department, Ministry of Health, Medical and Family Welfare, Government of Andhra Pradesh. - SANJEEVANI aims to transform the public health system from an episodic, facility-based model into a continuous and citizen-centric healthcare ecosystem. - The project aims to create a unified digital health ecosystem for the citizens of Andhra Pradesh and ensure continuity of care through lifelong digital health records. - SANJEEVANI follows a life-course approach, integrating preventive, promotive and curative healthcare throughout an individual's lifetime. - The project provides citizens with a comprehensive digital health profile and coordinates healthcare delivery through a centralised Digital Nerve Centre (DiNC). - SANJEEVANI is designed as an ABDM-native platform and is aligned with the Ayushman Bharat Digital Mission (ABDM). Digital Ecosystem Components: - The Integrated Healthcare Delivery Platform serves as the core digital platform and maintains ABHA-linked longitudinal health records. - The Care Coordination Centre functions as the Digital Nerve Centre and operates as a 24×7 multi-channel citizen support system.

3. MoU between Mazagon Dock Shipbuilders Limited (MDL) and NSHIP-AP

Why in News	Mazagon Dock Shipbuilders Limited (MDL), a Navratna Defence PSU, has signed a Memorandum of Understanding (MoU) with National Shipbuilding and Heavy Industries Park-AP (NSHIP-AP) to develop a modern greenfield shipyard at Dugarajapatnam, Andhra Pradesh
About MoU	- Under the agreement, MDL proposes to invest approximately ₹15,000 crore over the next five to seven years, subject to the necessary approvals and statutory clearances. - NSHIP-AP has identified Mazagon Dock Shipbuilders Limited (MDL) as the Anchor Shipyard for the proposed Dugarajapatnam Shipbuilding Cluster.

	3. The Dugarajapatnam shipbuilding cluster is being developed under the Government of India's Shipbuilding Development Scheme (SbDS).
About National Shipbuilding and Heavy Industries Park-AP (NSHIP-AP)	- The Government of Andhra Pradesh approved the incorporation of National Shipbuilding and Heavy Industries Park Andhra Pradesh Limited (NSHIP-AP Ltd.) as a Special Purpose Vehicle (SPV) in March 2026 for the development of a National Mega Shipbuilding Cluster at Dugarajapatnam in Tirupati district. - The SPV was created as a 50:50 joint venture between the Andhra Pradesh Maritime Board (APMB) and the Visakhapatnam Port Authority (VPA). ✓ In the SPV, the Andhra Pradesh Maritime Board represents the Government of Andhra Pradesh, while the Visakhapatnam Port Authority represents the Government of India. - The project is located along the Vizag-Chennai Industrial Corridor. Objective of NSHIP-AP: - NSHIP-AP has been established to plan, develop, operationalize, and manage a greenfield shipbuilding, ship-repair, and heavy industries cluster at Dugarajapatnam. - The SPV aims to create an integrated maritime manufacturing ecosystem in line with: ✓ Shipbuilding Development Scheme (SbDS), Maritime India Vision 2030, and Maritime Amrit Kaal Vision 2047.
4. Gurajada Venkata Appa Rao	
Why in News	Gurajada Jayanti on September 21 was declared as a State festival by Government of Andhra Pradesh
About Gurajada Venkata Apparao	- Gurajada Venkata Apparao was born on 21 September 1862 in Rayavaram village near Yelamanchili in present-day Andhra Pradesh. - He became famous for his play Kanyasulkam, written in 1892, which boldly criticized social evils such as child marriage and the dowry system. - His other works include Sarangadhara (epic poem), Mutyala Saralu (poetry collection) and Poornamma (short story). - Gurajada used every day spoken Telugu instead of the heavily Sanskritized style, making his works more accessible to common people. - His patriotic song Desamunu Preminchumanna, written in 1910, inspired generations with its call to love and serve the nation. - Gurajada was a social reformer who advocated for women's education, widow remarriage, and rational progress. - His contributions earned him titles such as Kavisekhara (crest jewel of poets) and Abyudaya Kavitha Pithamahudu (father of modern Telugu poetry) - He passed away on 30 November 1915. 
5. Veligonda Project	
Why in News	Hope flows anew with revival of Veligonda
About Veligonda Project	- The foundation stone for the Veligonda Project was laid on March 5, 1996. - The Veligonda Project is a multi-phase irrigation and drinking water initiative designed to divert surplus floodwaters from the Krishna River (Srisailem Reservoir) to drought-prone regions in Prakasam, Kadapa, Kurnool, and Nellore districts. ✓ The Nallamalasagar Reservoir has a gross storage capacity of 53.85 TMC, including 43.50 TMC live storage and 10.35 TMC dead storage. - The proposed irrigation command is distributed across four districts—Markapuram, Prakasam, SPSR Nellore and YSR Kadapa—and 30 mandals. - The district-wise irrigation coverage comprises 3,08,700 acres in Markapuram, 27,400 acres in Prakasam, 84,000 acres in SPSR Nellore and 27,200 acres in YSR Kadapa. - The project is being implemented in two stages. Stage I covers 1,19,000 acres and drinking-water supply to about four lakh people, while Stage II covers the remaining 3,28,300 acres. - The project is important from the perspective of drought mitigation, irrigation development, drinking-water security, groundwater recharge and integrated water-resource management.
